# 2019 Community Impact Report

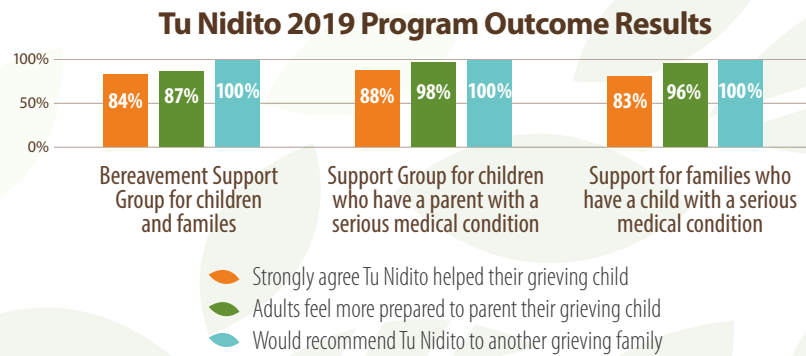

**Tu Nidito**  
No Child Grieves Alone

# A Message to Our Community

On behalf of Tu Nidito, I am delighted to present this 2019 Impact Report as a record of how your extraordinary support is helping to make significant progress toward our collective vision of ensuring no child grieves alone.

Your generosity in 2019 made it possible for Tu Nidito to serve 795 children, teens, and young adults grieving the diagnosis of a serious medical condition or the death of a loved one.

Providing quality programming and meaningful experiences remains a continuous focus in our daily work supporting families. We are proud to report the following outcomes, as reported by parents and caregivers of grieving children participating in Tu Nidito's programs:

Furthermore, Tu Nidito's Community Impact programming continues serving our community's schools and youth-serving organizations through grief education trainings and interventions, to ensure adults in our community are better prepared to support grieving children.

As you review this report highlighting Tu Nidito's 2019 impact, please remember that your support makes this work possible. From the bottom of my heart, thank you for your partnership in serving Tu Nidito's mission.

*Liz McCusker*  
**Liz McCusker**  
 Executive Director

*"Thank you for all the support. My son, even though he still has anger episodes, he has learned to manage and express his feelings with respect about his special person."* -Tu Nidito Parent

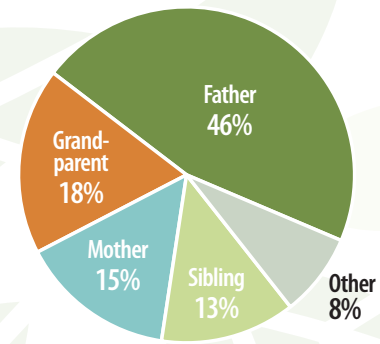

*"My children look forward to coming to group and I feel like it helps them remember their dad."* -Tu Nidito Caregiver

**Tu Nidito's mission helps children, teens, young adults and their families find comfort, hope and support when impacted by the diagnosis of a serious medical condition or the death of someone special, so that no child grieves alone.**  
**In 2019, with your support, Tu Nidito provided:**

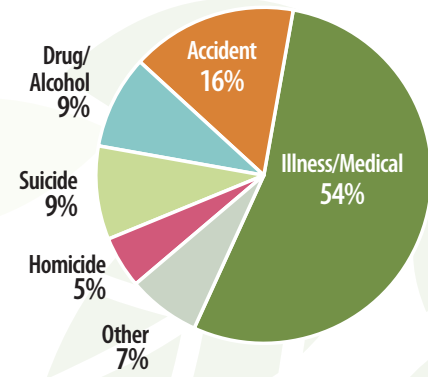

*"We love the special time we have at Tu Nidito."*  
 -Tu Nidito family

**Bereavement support programming for 480 children and their families and young adults grieving the death of a loved one.**

### Person Who Died

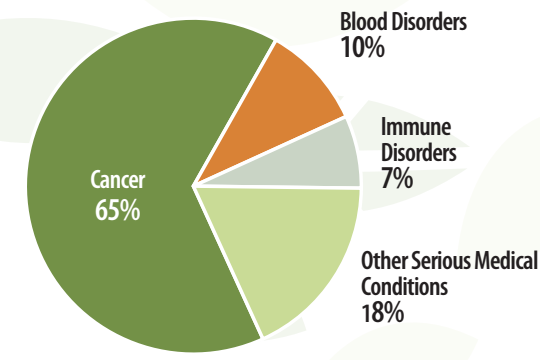

### Cause of Death

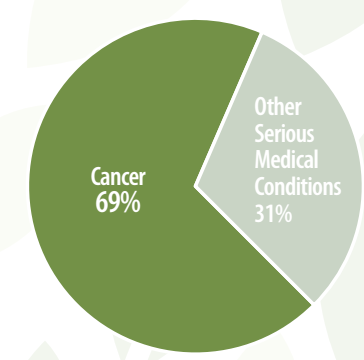

**Individualized and group support programming for 250 children and their families grieving the diagnosis of the following serious medical conditions:**

### Child's Diagnosis

### Parent's Diagnosis

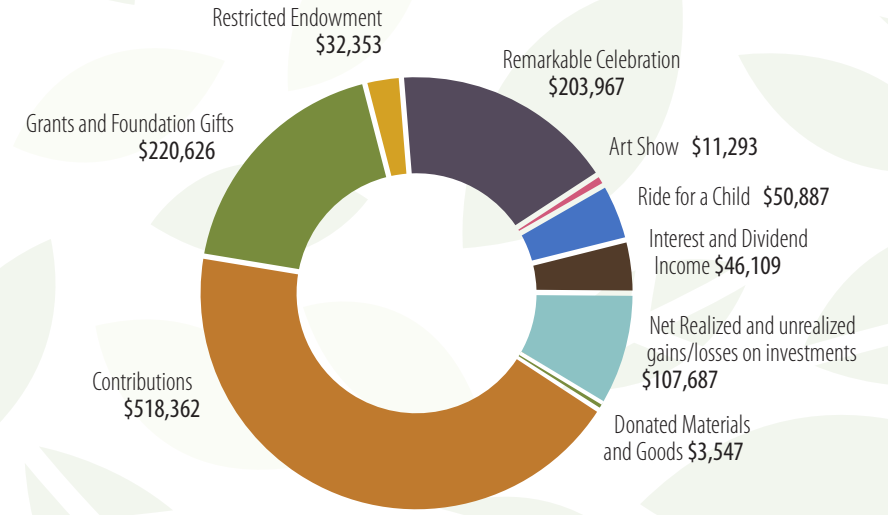

# Financials

Thank you to Tu Nidito's community partners for your unwavering support!

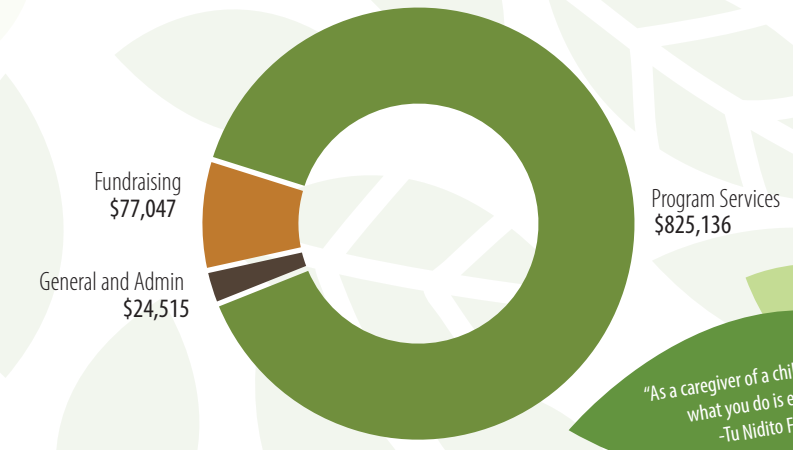

*"Tu Nidito has helped me a lot with my own grief and it has helped my children. I couldn't have done it by myself."*  
 -Tu Nidito Parent

## 2019 Revenue

\*Event totals and total revenue are net of direct costs

## 2019 Expenses

*"As a caregiver of a child with cancer, what you do is excellent."*
